

Meeting Reminder...

We wanted to remind everyone again that there is no meeting this Wednesday, November 26th. Our meeting has been rescheduled for Wednesday, December 3rd at 4:00 p.m. at the Irvine Chamber office. We hope to see you there!

ICCBE Welcomes 15th Member

Last week, our Group 1 membership reached 15! Jan Gissel, owner of the Irvine Computer MOMS franchise and who has been with us since our first meeting, is our newest member. Welcome, Jan! You can read about Jan's business at the top of Page 2 of the October 27th edition of *The Update*.

Meeting Dates

Remember, we are skipping some weeks because of the holidays. Our new schedule is as follows:

December 3rd	January 7th
December 17th	January 21st

We've All Met H.D.

Whether at Irvine Chambermasters, or at the ICC Business Exchange, chances are you've met H.D. If you don't remember, all I need to tell you is that he is the solar energy guy and if you've met him, you'll remember him. H.D. has done a wonderful job of branding himself as a spokesperson for renewable energy. H.D. Boesch has a B.S. in Mathematics and an M.S. in Physics and Computer Technology from the University Hamburg, Germany. He worked 26 years in Semiconductor and Telecommunication: Training Manager at Intel, Marketing Director at Hitachi and LSI Logic, Vice President of Marketing at ES2 - European Silicon Structures, Vice President of Marketing and Engineering at Thesys Semiconductor, President and CEO at Verysys Design Automation. H.D. changed gears in 2001 following his passion for renewable energy. He is President of The Solar Experts and Vice President of Marketing and Engineering at REVCO Solar Engineering.

What Should I Submit?

I bring this topic up following H.D.'s bio because it is a great example of something to submit for inclusion in *The Update*. H.D. just happened to run across this bio and emailed it to me to see if it was something along the lines of what I was looking for in an open submission for *The Update*. In fact, it was perfect. Basically, we would be happy to receive and include in *The Update*, anything that would help the members to learn more about you as an individual, or your business and any important part of what your business does. You can email your submissions to william@quietlyworking.net.

Submitted Everything?

I just want to make sure that we get everything we need from the members. If you haven't gotten all of these things to us, please send them as soon as you can or bring them to the next meeting...

1. Your Initial Bio Paragraph About You & Your Company
2. A paragraph or two, or a list of bullet points that showcase one of the areas that you do business in.
3. A quick "elevator" statement about your business.
4. A hard copy of your business card.

Thank You Very Much

Your ICC Business Exchange Administrative Staff just wanted to take a minute to thank you for helping to make the Business Exchange a planning success! With our planning stages complete, we are now looking forward to getting the group functioning in a way that will keep leads flowing to the members. We thank you for your participation and hope that the Business Exchange will be a profitable and worthwhile venture for you.
